KEYBOARD STYLINGS

The realm of sound of the piano and organ is limitless when performed by imaginative artists. The versatility of these instruments need only be supplemented by orchestration when designed as backdrop to create an individual mood. Each of these records is therefore specific in mood depending upon selections portrayed by a masterful technique.

ABOUT *Mercury* LIVING PRESENCE . . .

Mercury's LIVING PRESENCE recording technique is based on optimum placement of a single microphone, leaving the control of instrumental balance and dynamic range in the hands of the performing artist. In this way, truly wide dynamic and frequency range recording results.

Through the magic of the LIVING PRESENCE microphone, Mercury recordings have set a new and unsurpassed standard of excellence for truly fine recording . . . recorded sound of such realism and definition that the musical performances come to life right in your home.

LIVING PRESENCE is an exclusive identification for Mercury classical releases . . . indeed the ultimate in high fidelity recording.
